Dear parents and carers

I would like to begin by paying tribute to our Year 6 Jaguars, who have been taking their SATs this week. The children fully rose to the challenge and showed excellent focus and determination throughout, working hard to show off their learning from their time at Felbridge. Jaguars, you have been a credit to the school during this week and we are all very proud of you - well done!

This morning we had a special treat- Geckos class assembly. The children showed an enormous amount of confidence and independence. It really was a joy to watch and I realised that I was smiling throughout the presentation. Well done Geckos - your first class assembly was a big hit!

Next week is Geography Fieldwork Week and we have lots of exciting activities planned, including walks around the local area, traffic surveys and map work. I am looking forward to hearing about all of the children's findings at the end of the week.

I hope you all have a lovely weekend.

With best wishes

Emma Thorp
Headteacher
