

Weekly Newsletter

Friday 10th January 2025

Dear parents and carers

Welcome back to a new term at Felbridge - it has certainly been a chilly start for us all! It is a shame that we did not have more snow to enjoy but, as always, the children at Felbridge were determined to make the most of what we did have!

I hope you all had a lovely Christmas break and managed to spend some quality time together as families. It is definitely good to reflect on how much we have to be grateful for and we are particularly thinking of the people in Los Angeles, during this challenging and devastating time.

As you are aware, our school vision is 'Finding the best in everyone' and through this, we encourage the children to 'Be the best version of themselves'. In line with this, we have introduced our updated behaviour for learning policy. The policy is very much based on our five school values: Compassion, Courage, Curiosity, Challenge and Creativity. There are some new rewards for the children to work towards, which you will hear more about as the term progresses.

This term, we will continue to use the outdoor environment as much as possible; remember that if the children want to make the most of all areas, such as the woods and the field, they may bring wellies into school. As always, there will be many exciting and interesting learning opportunities for the children - keep an eye out for the termly curriculum outlines on our school website (class pages).

We are very much looking forward to the term ahead.

I hope you have lovely weekend.

With very best wishes

Emma Thorp
Headteacher

Tandridge Learning Trust (TLT) Update

During one of our INSET days, we spent time with colleagues from the other schools within Tandridge Learning Trust.

We discussed how we can further develop links between the schools and promote a sense of 'belonging' for us all. We are looking forward to gaining from the wealth of experience within the Trust and sharing all of the good practice which happens here at Felbridge.

If you missed the TLT termly newsletter before Christmas, here is the link.
