## Friday 15th November 2024

Dear parents and carers

This week we have been focusing on Remembrance. On Monday, we joined in the national silence and talked about the importance of remembering those people who were injured or lost their lives in the two world wars. We reflected on all of the things we are lucky to have and are able to do. As the week progressed, we discussed the kinds of things we need to remember in day to day life, for example, our school values, being the best versions of ourselves and remembering everything we need to bring to school every day! It was great to have Nick Wooldridge, from St Johns, lead our assembly on Wednesday. Nick continued with the theme of remembrance, talking about his own experiences of how he remembers things.

Thank you for joining us this week for our parent consultations; these conversations are so useful and really help the teachers keep you informed of your child's progress. Please do let us know if there is any more we can do to support you at home with your child's learning.

As the weather is due to become colder next week, please ensure that all children have a coat in school. A reminder that wellies can be brought in to school for those children who would like to use the woods or the field at lunchtime.

I hope you all have a lovely weekend.

Very best wishes

Emma Thorp  
Headteacher

### Leopards - Animals Including Humans Topic

Leopards Class enjoyed a visit from Max the Miniature Dachshund on Tuesday as part of their 'Animals including Humans' topic. They learnt about lots of different dog breeds and how their physical features correspond with their evolutionary purpose. In addition to this, they just generally loved having a dog in the classroom!
