## Friday 30th January 2026

Dear parents

January is coming to an end and we are starting to benefit from slightly 'longer days'. Despite having a fair few rainy days, the children have still been able to enjoy the outdoors and an increasing number have been bringing wellies in to school so that they can have fun in the woods. It is great to see them building, being creative and exploring!

As you are aware, we have been focusing a lot on kindness and particularly how we can show acts of kindness. Congratulations to the following children who have been voted 'kindness ambassadors' by their peers:

These children will be helping me lead the initiative to become a 'Kindness ambassador school'.

Reception	Arthur
Year 1	Rosie
Year 2	Ruby
Year 3	Ben
Year 4	Margot
Year 5	Poppy
Year 6	Charlie

As well as talking about our own school values on a daily basis: Challenge, Curiosity, Creativity, Courage and Compassion, we also ensure the children are aware of the British Values. During the past fortnight, we have looked at Respect, Tolerance and Democracy, reflecting on what these words mean and how we might see the terms in action, within school.

I hope you are finding our new weekly dates reminder useful; if you have any more ideas on how we could help with communication, please do let me know. Don't forget to follow us on Instagram ([www.instagram.com/felbridgeschool](https://www.instagram.com/felbridgeschool)) to see all of the latest activities happening in school. Coming up in the next two weeks, we have safer-internet day and Children's Mental Health week, both of which we will be acknowledging and discussing with the children - watch this space!

I hope you all have a lovely weekend.

With best wishes

Emma Thorp

### Surrey Schools Cross Country Race

On Saturday 17<sup>th</sup> January, Finlay and Frank represented the school at the Surrey Schools Cross Country Race in Reigate. They both challenged themselves to do their best, showing amazing resilience and sportsmanship throughout the event. A huge well done to you both!

### Toucans - Roman Day

This week, Toucans had an exciting Roman Day filled with activities! Students took part in a scavenger hunt, searching for Roman gods hidden around the school. They also got creative, designing mosaics and crafting their very own Roman shields. The children really enjoyed playing a Roman version of chess, called rota. It became very competitive in the classroom, and some fantastic tactics were developed. It was lovely to see Toucans' enthusiasm for learning shine throughout the day. Have a look at our Instagram page for more photos.

### Tag Rugby Event

On Wednesday evening, some of our Year 5 and 6 students participated in an exciting tag rugby tournament! It was wonderful to see such great teamwork and sportsmanship on display as everyone tried their best at this new sport. Well done to everyone who took part!

# CLICKING WITH CONFIDENCE: HELPING CHILDREN STAY SAFE ONLINE

FREE Parent & Carer Online Safety Webinar

**edu**thing  
IT Services for Education

in conversation with  
**SCREENSAFE**

We are excited to again be celebrating the upcoming Safer Internet Day by hosting a virtual parent & carer support session with Anna Sarjantson, ScreenSafe and experts from the eduthing Professional Learning team, and you're invited!

Join us in conversation as we explore the best ways to support our children and young people navigating the online world covering topics such as:

- Artificial Intelligence - What to know and how to support your children and young people
- Resources to facilitate discussion with children and young people on online safety
- Top Tips and Tricks for Parents & Carers  Particular Apps or Features to be aware of!
- Interactive Q&A Session

## ABOUT SCREENSAFE

I started Screen-Safe to help more parents, carers, teachers and anyone working with children, have access to support, the information they need now and the tools they need for the future when it comes to keeping our children and young people safer online. As a parent myself, I know just how challenging and sometimes, overwhelming it can be to navigate the digital world our children are growing up in. The online world can provide incredible opportunities but also some serious risks, especially where children are concerned.

We want them to be able to recognise the risks, be able to call out fake profiles or misinformation and have the confidence to say NO and get away from anything or anyone online that doesn't feel right or safe to them.

## ABOUT EDUTHING

eduthing are a leading technology provider to schools across the UK. As well as providing technical support to ensure teaching and learning runs smoothly, eduthing work with teachers, parents, carers and students with Computing, EdTech and Online Safety support and workshops.

We are passionate about ensuring the safety of children and young people when they experience the online world and immerse themselves in a safe and measured way.
