

Keeping you safe

in school – out of school – at home

We want our school to be a place where everyone can feel safe, feel happy and be healthy. It is every adult's job to help you stay safe from:

Being bullied

Being frightened or

Being hurt or injured

unkind strangers

Stop and think: is it safe?

REPORT it!
Tell a trusted adult.

REFUSE!
Say words which mean NO.

Any adult will listen and help to keep you safe, but these adults are here to help all the other adults keep you safe.

One of them is always in school to talk to.

Mrs Thorp

Mrs Sims

Mrs Ruffels

Mrs Warland

If you are worried about anything, you can:

- *talk to any adult*
- *bring a friend with you*
- *write a note for your worry box*

We are here to help!
