Dear parents and carers

World Book Day was a week late... but totally feeling great! Everybody had a packed day of fun based loosely around our Funnybones theme. Skeleton hunts, our own version of the Funnybones story and more, alongside book covers, 'reading rivers' of our favourite books – the day had it all! To top it off, the array of costumes and cosy reading-wear was, as always, amazing – well done for your creativity and imagination! If you didn't see them on our social channels, the pictures are further down the newsletter- plus a few more below as 'bonus' content.

This afternoon in our celebration Assembly, we also gave out some book token prizes for the 'Book Spoon' (or should that be 'Spook?!' or maybe 'Boon?!') competition. We had planned to have three prizes across the school but it was such an impossible task we went for five.

Congratulations to Delphine, Oliver, Alexander, Lexi and Leila but also a huge well done to everyone- the display is AMAZING!

Finally, this morning we all enjoyed Year 5's fantastic assembly centred around the work they have been doing with the Surrey Wildlife Trust. Written entirely by the children, they explained why finding ways to welcome wildlife into our local area is so important for a healthy environment, before telling us how they are going to be using some of the funds they raised with their seed bombs and bird feeders to create a wildflower meadow, install a wildlife observation camera and much more. We have such amazing grounds around the school so we have lots of opportunities to support nature of all kinds and no excuse not to! Watch out for a video on our social channels soon from some of the children explaining how we can all get involved- including with our Community Action Day which we will be holding in the summer term. Thank you Year 5 (as well as their amazing teachers, TAs and Harriet from the trust) and well done for all your efforts.

Have a great weekend,
Mr Hogan-Fleming and Mrs Sims

Tissue Box Request

We have finally exhausted the supply of tissues that you all kindly donated last year. Could we again please request that every child donates one box of tissues and drops them at the office.

This is a very easy way to help us to reduce costs.

Thank you!

We are so proud of our football team. They played their match on Wednesday with great team spirit, with Toby as an amazing team captain who supported, encouraged and included everyone. We did lose but we can walk away with our heads held high knowing that our team showed the greater sportsmanship.

Thank you to all the parents who came to support.

Swimming Gala

I just wanted to say a big thank you to all the children that took part in last week's school swimming gala. All the children behaved impeccably and showed great team spirit supporting each other- they all swam brilliantly giving everything they had and they did extremely well.

We came 8th out of 11 schools, a fantastic achievement.

A big well done to Alina Black who made it into the final of the 25m freestyle.

I just wanted to give a big shout and thank you to Sonya Bodey that helped looking after the children on the poolside, whilst I was officiating.

Once again well done to all the children that took part they did us proud - Giorgia Wheatley

Well Done Year 5!
